See breathtaking views only seen by helicopter! Each exciting experience offers the chance to see dolphins, sharks, sea turtles, monkeys, and manta rays. Pick an exciting adventure ranging from breathtaking tours to private charters flying to remote islands for horseback riding! Helicopter tours and charters are fun for all ages. We operated Robinson R44, which offers three window seats. Have more than three passengers? No problem! We can split larger groups with more than three people and take multiple flights. We have an excellent option if you want to take your flight to another level by removing all your doors for an additional charger. Come and See Hilton Head, Daufuskie, Beaufort, Tybee Island, and downtown Savannah by air. No other attraction on the island offers such breathtaking views and excitement! Perfect for families, couples, and friends. LET'S FLY!

Please note: Our tours have a weight limit of 300 lbs per seat and 600 lbs per group.
