

Foundation Up Services

Serving - Beaufort County

(843) 929-2250

I do electrical, plumbing, carpentry, and painting. I do bathroom or kitchen remodeling. I build decks. I also do masonry work including brick, pavers, fireplaces, outdoors kitchens, veneer stone, and concrete work, driveways. I can install ceiling fans, and trouble shoot electrical issues. If you have a punch out list that needs to be done to sell your property or you bought a place that needs work.
