surrounding areas

**(843) 681-3999**

At EAC Heating & Air, our goal is to make it convenient and affordable for you to maintain a comfortable, healthy indoor environment. Whether you need yearly HVAC system checks or need emergency HVAC system repair and maintenance, E.A.C. Heating & Air is here to help you. Through an effective range of services, including the installation, seasonal maintenance, HVAC system replacement and repair of all types of heating, cooling, and air quality equipment, we trim operational costs while optimizing reliability.
