

Delivering across South Carolina

(803) 531-4443

We offer pick-up and delivery of farm-fresh sod at our turfgrass farm in Orangeburg. This farm supplies sod to our customers across South Carolina and to Super-Sod stores in Greenville, Columbia, and Charleston.

We sell sod by the roll, pallet, or truckload. We sell lots of other products too – grass seed, lawn care products, tools, and our Soil³ Compost, Veggie Mix, and Level Mix.
