

**Serving - Beaufort County**

**(843) 263-4406**

**Coastal Organic Lawn Service has been in business since 2009. It evolved from my small lawn maintenance business on Fripp Island established in 1997. In 2016, my son Matthew joined me as a partner, and together we are committed to providing the best possible organic lawn service available in Beaufort County. We proactively manage weeds and pests. We are committed to improving the condition and health of your lawn.**
