**Beth is originally from Lancaster County PA where she started selling homes in 1991 after graduating from the University of Richmond. She successfully ran new home communities for local builders until she and her husband decided to relocate to SC in late 2007. Upon moving to the Lowcountry, she jumped into the rewarding world of residential brokerage where the excitement of finding the best communities and properties for her client's needs, dreams and lifestyles has humbly allowed her to be consistently ranked in the top Realtors of our MLS and her team to be the #1 Team locally and in the SC/NC Region for Keller Williams.**
