

THE NATIVE ISLANDER GROUP

John Campbell

(843) 816-0627

John is a 7th generation Gullah native to Hilton Head Island where his family's history and roots run deep. For 40 years, John grew up witnessing the growth, development and change of Hilton Head Island. This caught his attention at a young age and he wanted to learn everything he could about real estate in the area and how to get involved. Right out of high school, John got an internship at three of Bluffton's top rated, private, gated communities such as Berkeley Hall, Belfair and Hampton Hall. John took what he learned and started buying his own land and properties for investments and continues to do so today. After learning and experiencing through his own real estate transactions, he decided to start assisting others in doing the same.
